

ECE 401: Drama in Early Childhood Education
Dr. K. A. Korb
Dramatic Play Learning Centre
Continuous Assessment (15 points)

Overview. The purpose of this assignment is for you to plan and introduce a Dramatic Play Learning Centre in groups of five.

Step 1. Identify three (3) potential themes for your Dramatic Play Learning Centre. Your themes should be submitted by **10 June 2019**. Your theme will then be assigned by 14 June.

Step 2. Using your assigned theme, plan the Dramatic Play Learning Centre using the Activity Plan guide. Materials should be simple and inexpensive. Be sure that the Procedure section of the Activity Plan includes a strong introduction of the Learning Centre, including an introduction that activates background knowledge, introduces relevant vocabulary, describes materials in the learning centre, and discusses the roles and activities that children can engage in at the Dramatic Play Learning Centre.

Step 3. Present the Dramatic Play Learning Centre to the class the week of **1 July 2019**.

Evaluation

- Activity Plan
 - Learning Objectives are relevant, developmentally appropriate, and from multiple domains of development (2 points)
 - Brief description describes how the learning activity will meet the learning objective (2 points)
 - Procedures provide a good discussion to introduce the Learning Centre (4 points)
 - Materials are simple, engaging, and relevant (2 points)
- Presentation of Learning Centre is engaging and relevant. There are many opportunities for children to be actively involved in dramatic play (5 points)
