

Reflection on Character Development

Dr K. A. Korb

ED 504

Due: 17 October 2019

Overview. Read Dow (2013) to learn more about the seven character habits that he proposes. Once you have read the book, reflect on the following questions.

1a. Which character habit are you strong at?

1b. Give evidence from your behavior that demonstrates that you are strong at this habit.

1c. How did you learn this character habit?

2a. What character habit are you weak at?

2b. Briefly, what will you do to improve in this habit?

3a. What character habit is weak in Nigerian education/church in general?

3b. What evidence do you have that it is weak?

3c. What do you propose can be done through education (either school or church) to strengthen this character habit?

4a. Suggest one other character habit you would add to Dow's list.

4b. Define this character habit.

4c. Give a practical example of this character habit – either a true story or a based-on-true story.

4d. Justify why this character habit is important in your context.

4 points per question; Question 2 is 3 points.
